E-Proficiency Profile

with Official Content from ETS

 **Administering EPP on Territorium**

 **Existing ETS Testing Unit Inventory**

 **Special Transfer Discount Offer**

 **Longitudinal Data**

 **Success Center Update**

The Territorium E-Proficiency Profile test **uses the same assessment content as the Proficiency Profile test that has been delivered by ETS.**

Both the standard and abbreviated form for ONLINE testing administrations are available NOW at Territorium's portal LifeJourney - ETS will service customers with existing digital and paper assessment credits through June 2023.

In lieu of the ETS Proficiency Profile Optional Essay, the [HEIghten](#) Written Communications assessment is available...

- 15 minutes more in testing time
- Powerful combination of human and automated scoring
- Focused evaluation of higher-order aspects of writing
- Score is a combination of selected-response questions and direct writing
- Holistic view of a learner's overall writing proficiency
- Insights about the students' ability to put written communication knowledge into practice

Longitudinal Data Release Form

To help us prepare to transfer up to 10 years of your longitudinal EPP data from ETS to Territorium, please fill out the form below as completely as you can. We will use the information you provide to determine the next steps to assist you.

Note that this form is required to be submitted by a representative of your Institution that has authority to sign a legal document authorizing ETS to release your longitudinal data to Territorium.

You are also encouraged to download ALL your data before June 30, 2023 from ETS's Program Workshop to ensure you have access to all data ETS is storing on behalf of your Institution.

Request your Data to be released by ETS to Territorium

Sign the official Authorization for Release of Information via Docusign

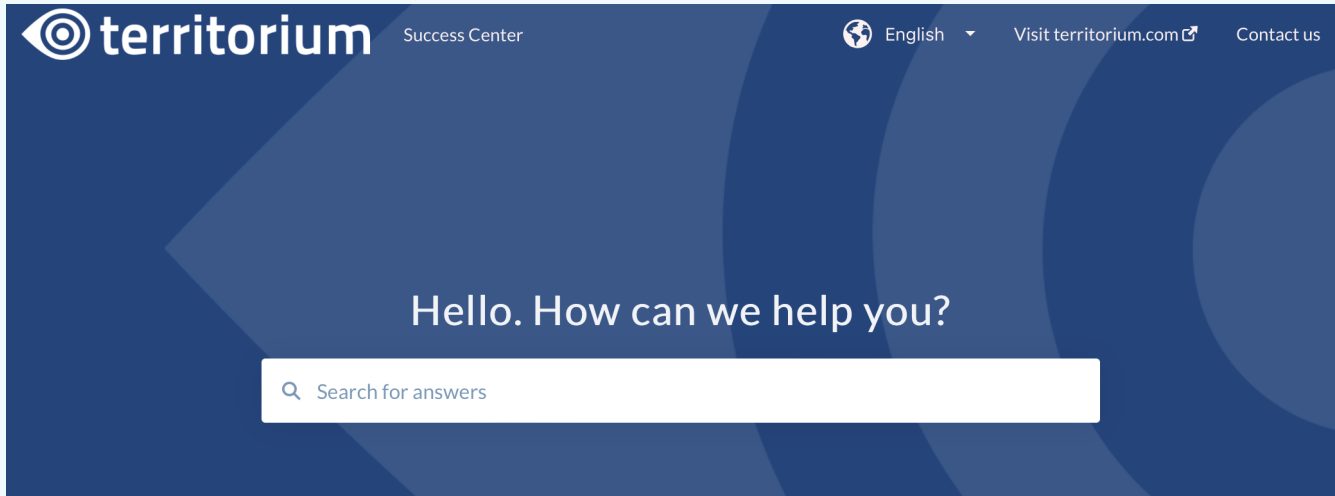

Search

Code	Test	Students	Proctoring	Proctors	Start Date
EPP- NP- ABB- C		1	No	0	2023- 03-15 00:00:00

Historical Data available through reporting tools in upcoming release for LifeJourney

Authorization process MUST be completed by June 30, 2023 to ensure data transfer.
Data from administrations still active or open as of July 1, 2023 on ETS Program Workshop will not be transferred.

CLR (Certified Learner Record)

Comprehensive record of the competencies, skills, experiences, and certifications that learners have gained to prepare for college, career & beyond

Assessment Services

Suite of finely calibrated assessments, powered by official ETS content and our AI driven personalized assessment platform, powered by Microsoft
